

The **Academic Integrity Committee** is made up of approximately 20 students from grades 6, 7, and 8. The group, which meets in room N149 A on Thursday mornings from 9:05 - 9:25, promotes honesty. Members will engage in activities to convince peers to live with integrity, too. The first meeting is September 10th. Ms. Klckbush is the sponsor and anyone interested in joining should pick up an application at N149 A.
